Continuation of Substance of Interview including description of the general nature of what was discussed: The terminal disclaimer filed 03/07/2007 was approved and overcomes the rejection under obviousness type double patenting. However a petition under 37 CFR 1.78(a)(3) for acceptance of an unintentionally delayed claim of priority under 35 USC 120 is pending a decision. Once a decision is rendered the case can be passed to allowance. Claims 19-35 are allowable .
